

IMPORTANT NOTICE ABOUT THE 400N TARIFF

On May 7, 2007, the United States Surface Transportation Board revoked anti-trust immunity for the moving industry and directed an end to collective rate-making by moving companies. This affects movers' ability to use the "400N" Tariff to comply with the tariff publishing requirement. Movers must now publish individual tariffs.

TechMate International is available to help you publish your individual mover tariff. Attached please find our Interstate Tariff Order form, which you can fax back to us at (973) 556-1054. A representative will contact you within a few days of receipt, in order to initiate the Tariff publication process.
